- Join us on November 28 for our Virtual Annual General Meeting, where we will provide exciting updates about the Association! We will be joined by special guest speakers and more details will be shared leading up to the event.
- All members will be kept up to date on all local, regional, and national news in relation to the Career Development Profession through email and social media.
- A portion of the membership fees is used for our annual Phyllis Pitre Bursary. A bursary committee is formed each year.
- We are thrilled to have 28 people now participating in 44 courses with this round of training so far. Training intake is continuous. We will continue to offer a wage subsidy to those who qualify. If you or someone in your organization would like to participate, please reach out to **cdapei.training@gmail.com** and if all criteria are met we will get you registered as soon as possible!
- We have a CDA of PEI Executive committee and committee members which provides an open opportunity for members to be a part of growing with the association.

In addition to these exciting events, a current membership with the CDA of PEI is required to become eligible for Career Development Professional certification in New Brunswick.
