

Career Development
Association of PEI Inc.

Membership Form

Available now, valid April 1, 2023 - March 31, 2024

Membership benefits for 2023-24

- A chance to grow with the Association: We are currently recruiting members to volunteer with our committees. These exciting opportunities provide members with a meaningful, collaborative experience where they can have their voice heard as they help to grow the awareness of Career Development on PEI
- Members will be kept up to date on all local, regional, and national news in relation to the Career Development Profession
- A portion of membership fees will be used for our annual Phyllis Pitre Bursary, which awards adult learners working towards completing a post-secondary certificate, diploma, or degree
- 2023 Training for Career Development Professionals is in the planning phase in partnership with CCDF and SkillsPEI. Membership is required to apply for this training.
- We have a committee planning lunch and learns, webinars, and short-term additional training. Throughout the year, more information will become available to members who wish to participate.

In addition to these exciting events, current membership with the CDA of PEI is required to become eligible for Career Development Professional certification in New Brunswick.
